7TH GRADE CAPITOL TRIP

Because of funding from the Education Foundation, every 7th grader in College Station ISD had the opportunity to travel with their school to Austin to visit the Bob Bullock Texas State History Museum. This action-packed field trip allowed Texas History students a hands-on experience perusing early Texan artifacts and learning about present-day accomplishments. Students also enjoyed an IMAX movie celebrating Texas history and culture and a picnic on the State Capitol lawn.

CSISD LITTLE OLYMPICS

On your mark, get set, GO! The first-ever College Station ISD Little Olympics took off in grand style thanks to a grant from the Education Foundation. Teams of students from all ten CSISD elementary schools competed in track and field events while high school volunteers supported the participants. This friendly competition encouraged physical fitness and brought students and families together to participate in a Fun Run and cheer for each other while representing their school for bragging rights.

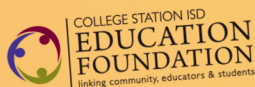

DISTRICT-WIDE SUPPORT takes Center Stage!

These projects impacted students across College Station ISD and were funded through the Education Foundation by generous community partners and donors!
