ABOUT THE FOUNDATION

Established in 1999, the College Station ISD Education Foundation is a non-profit, tax-exempt 501(c)(3) public corporation operating independently under its own board of directors. Tax-deductible gifts made to the Foundation provide funds for opportunities above and beyond the normal operating budget of the school district which are not available through tax revenues.

OUR MISSION IS...

to partner with the community to provide resources that:

- **INSPIRE** learning and teaching
- **ENRICH** opportunities
- **RECOGNIZE** successes of students and educators

PROGRAMS WE SUPPORT

- **Innovative Teaching Grants** - enrichment projects that our teachers can apply for annually to implement in their classrooms
- **Senior Scholarships** - awarded to graduating seniors pursuing a degree or certification at a two- or four-year college or trade school
- **Amy Anderson Literacy Legacy** - a program that provides a \$10 voucher for every Pre-K/Head Start student to purchase his or her own books at their school's book fair.
- **Chrissy's Closet** - A free store for CSISD students and staff to obtain new or gently used clothes, shoes, coats, and personal hygiene items open weekly during the school year.
- **Senior Hall of Fame Banquet** - a special recognition program where seniors are voted on by their high school teachers based on their leadership, integrity, dedication to school, and positive attitude; the educator of their choice is also honored.
- **Star Educator** - an opportunity for students, parents and the community to honor an educator in Dec. or May by donating \$10 or more to the Education Foundation. Each receives a certificate, lapel pin and recognition in The Eagle newspaper.
- **Summer Day Camp Scholarships** - provides children who have completed grades K-6 a safe, fun, and thrilling adventure through recreational and enrichment programming at the CSISD Summer Day Camp.
- **Ag Initiative / Freezer Sale** - encourages College Station ISD students to participate in agriculture and livestock programs by raising and showing animals. Students who do not make a premium sale have an opportunity to be eligible for the freezer sale to recover their financial and personal investment and hopefully will continue participating in agricultural programs.
