Selection Process

Follow the link from the Education Foundation website to our online application. You will need to create a user name and password to begin.

Submitted Applications will be reviewed and commented on by the Grant Application Review Committee made up of Education Foundation Board and CSISD Central Office Staff.

Applicants will be notified of decisions during
Grant Patrol
on November 7th

For each grant application submitted, the committee will make one of the following recommendations:
Approved, Disapproved or Partially Approved.

Preference will be given to:

Grants that represent a **CREATIVE** or **INNOVATIVE** approach to relevant and engaged student learning

Grants that directly benefit large numbers of students

Grants which utilize durable, reusable items

Grants that share materials and/or techniques between grades, groups, schools, etc.

Proposals for new programs are preferred over repeat requests unless the grant is the expansion of a previously outstanding project.

Important! If applying for a grant as a team or department, please identify one teacher as your **TEAM LEADER** and main contact, but please include all teachers/staff involved on the grant application.

General grant policies

No funds will be awarded for consumables, field trips, salaries, teacher trips, training, food, or speaker fees.

The Foundation will not fund grant requests which exceed the stated dollar limit and funds will not be awarded for multiple applications from an individual school to fund a single program.

A timely evaluation for each grant must be submitted by the stated deadline. Those who do not may be eliminated for consideration for grants for the following academic year.

In the event a recipient transfers to another school within the district, the teacher may transfer the grant program to the transfer school, provided the transfer is to a compatible grade level. If the transferring teacher is one member of a group grant, the grant will remain at the school awarded the grant. Any dispute regarding a grant transfer may be resolved by a special sub-committee of three board members appointed by the Education Foundation President.

A single teacher and/or group of same teachers may NOT receive multiple grants for the same school year.
