PARTNER GUIDE

2026-2027

Dear Friend of Education,

I'm honored to take my first step into the role of Executive Director of the College Station ISD Education Foundation, and I hope you'll join us in making a giant leap for education in CSISD.

Our theme for the school year is **Mission Ready Since 1999**, celebrating more than two decades of supporting innovative programs, inspiring teachers, and creating opportunities for students. As we embark on another exciting year, we invite you to explore the many ways you can help fuel our mission.

Whether through our Partnership Campaign, sponsorship of **50 Men Who Can Cook**, or a direct gift to a program that matters most to you, every contribution helps us launch new possibilities for students and educators across our district. We are committed to helping you find the giving opportunity that best aligns with your interests and impact goals.

With gratitude,

Amy Heye

EF EXECUTIVE DIRECTOR

P.S.

Keep an eye out for CSISD teachers and staff wearing their Education Foundation **Mission Crew** shirts this year! When you see them, take a moment to thank them for all they do to make education in CSISD truly *out of this world*.

WHY I serve...

SUZANNE NEUBERGER
Amarillo National Bank
EF BOARD PRESIDENT

"The Foundation offers an avenue for our community to champion our school district, advocate for teachers and students and raise funds to provide resources where tax dollars fall short. Serving on the Board allows me to directly impact the student and teacher experience throughout all CSISD campuses."

WHY I give...

DR. LAURA BAY-WILLIAMS
Van Stavern Small Animal Hospital
EF PILLAR PARTNER

"Giving to the CSISD Education Foundation is the most direct way to positively impact local students and teachers. I never worry about if my donation will be put to good use as I have seen the benefits in countless ways over the past 10 years."

WHY it matters!

TREY BEVANS
Robotics & Drones Teacher - CSHS
TEACHING GRANT RECIPIENT

"Being awarded Education Foundation grants has given my students opportunities in the classroom they never thought were possible. From building drones to constructing custom student lab computers, these grants have ignited student excitement for engineering on a whole new level."

EVERLY S.
CSISD Student
BCYLS FREEZER SALE RECIPIENT

"Thank you so much for buying my market goat at the [BCYLS]! It means the world to me that you care enough to support me and my project. It was my first year to show a goat and I will never forget Rocket (my goat). I have already bought two goats for next year and am very excited."
